### **IT MANAGED SERVICES – I-NET DYNAMICS PTE LTD**

GC Asia Dental Pte Ltd has been a customer of I-Net Dynamics since August 2009. During this time, I-Net has been a great help in maintaining our IT infrastructure, hardware and software needs. It is always a pleasure to work with the team as they are friendly, efficient and knowledgeable. They have always troubleshoot IT issues promptly and professionally.

At times, appropriate advice on improvements and upgrades on existing computer and network systems are given to suit our business' requirements as well, which is very useful for our future budgeting purposes.

By having I-Net Dynamics as our IT support, it serves as an assurance to us that their expertise and excellent service will bring us through for more years to come. They are simply a great group to work with.

Yours Sincerely

Edwin J Balchin  
Director
